

An international journal devoted to basic research into how plants function, ranging from the molecular to the cellular to the whole plant levels, and including the interactions of plants with their biotic and abiotic environments.

**Editor-in-Chief**

**Donald R. Ort**  
USDA/ARS Urbana, IL, USA

**Associate Editors**

**Bonnie Bartel** Houston, TX, USA  
**Alan Jones** Chapel Hill, NC, USA  
**Richard Amasino** Madison, WI, USA  
**Julia Bailey-Serres** Riverside, CA, USA  
**C. Robin Buell** East Lansing, MI, USA  
**Sheila McCormick** Berkeley, CA, USA  
**Thomas Mitchell-Olds** Durham, NC, USA  
**John Ohlrogge** East Lansing, MI, USA  
**Kathryn A. VandenBosch** St. Paul, MN, USA  
**Susanne von Caemmerer** Canberra City, ACT, Australia

**Research Area and Sections**

Signal Transduction and Hormone Action  
 Cell Biology  
 Development and Hormone Action  
 Environmental Stress and Adaptation to Stress  
 Bioinformatics, Breakthrough Technologies, and Genome Analysis  
 Systems Biology, Molecular Biology, and Gene Regulation  
 Genetics, Genomics, and Molecular Evolution  
 Biochemical Processes and Macromolecular Structures  
 Plants Interacting with Other Organisms  
 Bioenergetics and Photosynthesis  
 Whole Plant and Ecophysiology

**International Board of Monitoring Editors**

*Plant Physiology*<sup>®</sup> (ISSN 0032-0889, online 1532-2548) is published monthly, in three volumes per year, by the American Society of Plant Biologists, 15501 Monona Drive, Rockville, MD 20855-2768, USA, and is produced by Dartmouth Journal Services, Waterbury, VT. The institutional price for the print and online versions is based on type of institution; contact institution@aspb.org. A subscription includes both *The Plant Cell* and *Plant Physiology*<sup>®</sup>; single copies may be purchased for \$95 each plus shipping. Members of the American Society of Plant Biologists receive free online access to the journal and may subscribe to the print version of *Plant Physiology*<sup>®</sup> for \$210. Nonmember individuals may subscribe for \$400. For matters regarding subscriptions, contact Suzanne Cholwek, 15501 Monona Drive, Rockville, MD 20855-2768; telephone 301-296-0926; fax 301-251-6740; e-mail scholwek@aspb.org. Notify ASPB within 3 months (domestic) or 6 months (foreign) of issue date, and defective copies or copies lost in the mail will be replaced. Send all inquiries regarding display advertising to: FASEB AdNet, 9650 Rockville Pike, Bethesda, MD 20814-3998; telephone 301-634-7791; fax 301-634-7153; e-mail adnet@faseb.org. Periodicals postage paid at Rockville, MD 20850, and at additional mailing offices. **Postmaster:** Send address changes to *Plant Physiology*<sup>®</sup>, American Society of Plant Biologists, 15501 Monona Drive, Rockville, MD 20855-2768. The online version of *Plant Physiology*<sup>®</sup> is available at www.plantphysiol.org. **Permission to Reprint:** Permission to make digital or hard copies of part or all of a work published in *Plant Physiology*<sup>®</sup> is granted without fee for personal or classroom use provided that copies are not made or distributed for profit or commercial advantage and that copies bear the full citation and the following notice on the first page: "Copyright American Society of Plant Biologists." For all other kinds of copying, request permission in writing from Nancy A. Winchester, Publications Director, ASPB headquarters.
