

RETRACTION

Vol. 141: 243–256, 2006

Pandey S., Chen J.-G., Jones A.M., and Assmann S.M. G-Protein Complex Mutants Are Hypersensitive to Abscisic Acid Regulation of Germination and Postgermination Development. *Plant Physiol.* 141: 243-256.

The authors of the above article request that it be retracted from *Plant Physiology*. The article includes immunoblot data in Figure 1B that were inappropriately duplicated, spliced, and manipulated.

The authors deeply regret that a manipulated image was used in the article and apologize for any inconvenience this publication may have caused. They have indicated that work is currently underway to repeat the experiments of Figure 1B and that the results will be reported in due course.
